**T1 ρ - T1FFE Cartilage Thickness Differences**

Each heatmap displays a circular region with a color scale from -2.5 to 2.5. The plots are arranged horizontally, sharing a common color bar on the right.

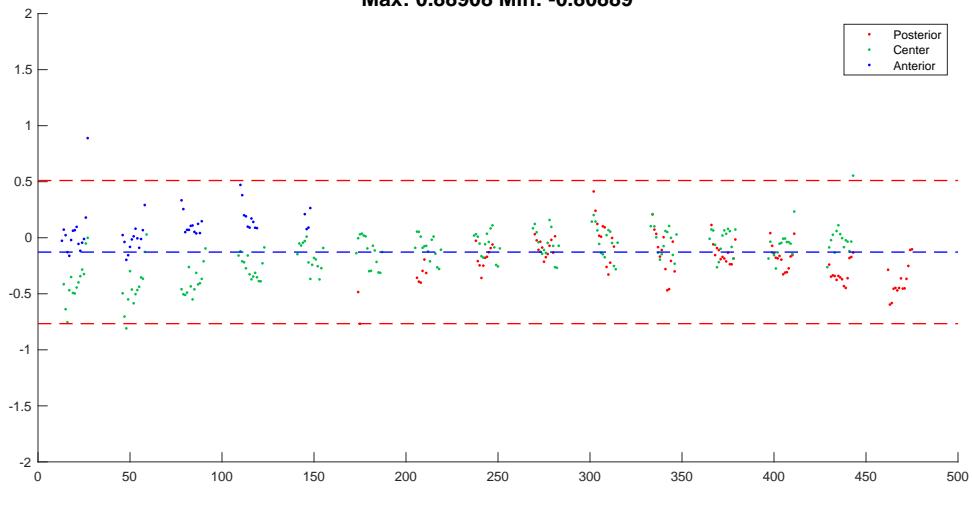

T2S - T1FFE Cartilage Thickness Differences

Each heatmap displays a circular region with a color scale from -2.5 to 2.5. The plots are arranged horizontally, sharing a common color bar on the right.
